SUPPLEMENT TO VOLUME II.

Metropolitan Life Insurance Company. Statistical Bulletin.

INDEX * FOR 1921.

Abdominal tuberculosis, females 5:4
Accidents, 1920 ..... 1:1
———, by nature of hazard 9:3
———, classification 9:3
———, foreign born in U. S. 6:4
Accuracy of certified causes of death 7:6
Acute articular rheumatism 8:3
Acute respiratory disease prevention 10:7
Adolescent females, tuberculosis death rate 12:3
Alastrim, Jamaica, 1921 ..... 4:11
AMERICAN CHILD HYGIENE ASSOCIATION 7:2
Americanization of foreign born 6:4
AMERICAN SOCIETY FOR THE CONTROL OF CANCER 2:7; 12:9
Anti-smallpox vaccination 1:7
———, California, 1921 ..... 7:9
———, Cleveland, Ohio, 1921 ..... 10:10
———, Wisconsin, 1921 ..... 7:9
Anti-typhoid inoculation, diminishing protection of Army and Navy inoculations 9:9
Anthrax prevention, Federal legislation 7:10
———, statistics 6:5
Automobile accidents 9:3; 10:4
———, 1920 ..... 1:1
———, increasing death rate, 1921 (chart) 5:1
———, New York State, 1921 ..... 9:10
Autopsies 7:6
Birthrate, negroes, U. S., 1919 ..... 7:1
Brights' Disease, 1920 ..... 1:3
———, effect on longevity 4:4
California, compulsory vaccination law, 1921 ..... 7:9
Cancer, control 12:9
———, improving death rate among females 2:6
———, prevention 2:6
Cancer surgery, effect on death rate 2:6
Cape Cod, Mass., rural health organization, 1921 ..... 6:10
Cerebrospinal syphilis, negroes 11:7
Chicago, suicides, 1921 ..... 10:10
Children, diseases of, 1920 ..... 1:3
———, nutrition standards 3:5
Cleveland, Ohio, diphtheria prevention 10:9
Claim payments, by causes of death, 1920 ..... 2:1
College women, mortality 5:3
Communicable diseases, value of control procedure 1:3
Compulsory vaccination law, California 7:9
———, Wisconsin 7:9
Contact immunity in diphtheria 6:7
Deficient rainfall and typhoid fever incidence, 1921 ..... 11:3
Dental diseases 5:5
Dependency among insured wage earners 4:6
Dependent children of deceased wage earners 4:6
Detroit, suicides, 1921 ..... 10:10
Diabetes in relation to increased use of sugar 11:2
Diabetes, lower death rate among negroes 11:6
Diarrhea and enteritis, 1921 (chart) 5:2
Diphtheria, 1920 ..... 1:3
———, Chicago, Ill., 1921 ..... 4:10
———, contact immunity 6:7
———, first three months, 1921 ..... 6:1
Diphtheria, increased death rate, 1921 ..... 10:2; 10:9
———, increased prevalence, 1921 ..... 4:3
——— in negroes 11:5
———, prevention 4:3; 9:7; 10:3
———, Cleveland, Ohio 10:9
———, Michigan 10:9
———, Toledo, Ohio 10:9
———, racial and family factors 6:7
Diseases, classification 2:8
———, Third Int'l Conference on Classification of Causes of Death 2:8
Domestic accidents 9:3
Economic loss from disease 12:1
Economics of public health 2:2; 12:1
Encephalitis lethargica 2:10; 3:6; 3:9
Epidemiology, acute articular rheumatism 8:4
———, influenza 12:6
Epidemiology, puerperal septicemia 8:6
———, scarlet fever 10:6
Expectation of life, foreign born in U. S. 1910 ..... 9:4
———, loss from Brights' disease 4:4
———, loss from heart disease 2:4
———, M. L. I. Co. Ind'l Dept. 1911 to 1920 ..... 9:1
———, United States 1855 to 1910 ..... 12:1
Family damage, death as a factor in 4:6
Famine, Honan Province, China, 1921 ..... 3:10
Focal infection, teeth 5:5
Focal infections and articular rheumatism 8:3
Germans, expectation of life in United States 9:4
Glycosuria in life insurance medical examinations 11:2
Great War veterans, hospital care 7:10
Hazards in industry 2:7
Health surveys, industrial establishments 12:10
Heart disease, effect on longevity 2:4
———, lower death rate in 1921 ..... 9:6
———, M. L. I. Co., Ind'l Dept., 1911-1916 ..... 2:6
———, M. L. I. Co., Ind'l Dept. 1911 to 1920 ..... 9:5
———, prevention 2:5
Height standards, children 3:5
Highway accidents 9:3
Homicides, 1920 ..... 1:2
———, increasing death rate, 1921 ..... 2:3
Hospitals, autopsy practice 7:7
———, New York City 12:9
Housing and health of immigrants 6:4
Human life, economic value 2:2; 12:1
Human life span, possibilities for extending 12:1
Immigration, health aspects of 6:3
Industrial accidents 9:3
———, foreign born in United States 6:4
Industrial hygiene 2:7
Industrial insurance, maternity nursing 8:6
Infant mortality, American cities 1920 ..... 7:2
———, effect on life expectation 12:3
———, negroes, 1919 ..... 7:2
Influenza, 1920 ..... 1:1
———, and pregnancy 7:8
———, claim payments, 1920 ..... 2:1
———, immunity 12:5
———, low incidence rate in 1921 ..... 4:9; 7:7
———, research, Metropolitan Life Ins. Co 12:5
———, United States Army in Germany, 1921 ..... 5:10
———, vaccination 12:5
Instrumental aids to labor 8:5
Irish, expectation of life in U. S. 9:4
Italians, expectation of life in U. S. 9:4
Jews, expectation of life in United States 9:4
Kansas City, Kans. Diphtheria epidemic, 1921 ..... 11:9
KNIGHT, AUGUSTUS S. 11:1
Lethargic encephalitis 2:10; 3:6; 3:9
———, Ohio, 1921 ..... 6:9; 7:10
Life insurance health examinations 11:1
———, health work, results of 1:5
———, widows as beneficiaries 4:6
LIFE EXTENSION INSTITUTE 11:1
Locomotor ataxia, negroes 11:7
Longevity of insured wage earners, 1911 to 1920 ..... 9:1
Longevity, possible limit of 12:1
Loss from preventable disease 12:1
Malaria, prevention, Alabama, 1921 ..... 9:10
———, Louisiana, 1921 ..... 8:10
———, United States Army, 1921 ..... 6:10
Maritime quarantine, Port of New York 2:10
Maryland, rural health organization, 1921 ..... 6:10
Maternal mortality 8:4
——— ———, 1920 ..... 1:4
Maternal nursing 1:4; 8:5
Maternity nursing, records 7:6
Measles, United States Army, 1920 ..... 1:10
Metabolic diseases in negroes 11:6
Metropolitan Life Insurance Company, effect of public health work upon mortality 1:1; 1:5; 9:2
